

## Welcome

### Free and Open

#### Students

Are you a student looking to study mathematics on your own, and want to do exercises with immediate feedback as you work through a free and open textbook? Then read more about our [self study courses](#).

#### Instructors

Are you an instructor who wants to adopt an open textbook, who feels online interactive homework is valuable, but doesn't want their students to have to pay an additional fee? Then read more about [using MyOpenMath in the classroom](#).

#### Getting Started

If you already have an account, you can log on using the box to the right.

If you are a new student to the system, [register as a new student](#)

If you are an instructor, you can [request an instructor account](#)

#### Login

[Forgot Username](#)

Hello,

Click on "Register as new student"

## New Student Signup

Enter a username. Use only numbers, letters, or the \_ character.:

Choose a password:

Confirm password:

Enter First Name:

Enter Last Name:

Enter E-mail address:

Notify me by email when I receive a new message:

I have read and agree to the [Terms of Use](#)

Select the course you'd like to enroll in

My teacher gave me a course ID (enter below)

Course ID:

Enrollment Key:

Sign Up

← write this username

← write this password

← confirm your password

← write your legal first name

← write your legal last name

← write the email you use

← enter the course id given to you  
By your instructor

← enter enrollment key

← click on "sign up"

## New User Signup

Your account with username  has been created. If you forget your password, you can ask your instructor to reset your password or use the forgotten password link on the login page.

You have been enrolled in course ID

You can now [return to the login page](#) and login with your new username and password

Here is your successful sign up page. It will have your course ID and username.  
Click on "return to the login page"

## Welcome

## Math

**Midterm Spring 2020**

Hello everyone.

Your class will look similar to the picture above. Each instructor will modify the settings differently.
